I. [] [] telephoned to say he had been
telephoned by a Lt. Col. Francis J. Dillon of the Air Force who is on detail
to House Space Committee. Col. Dillon wanted to discuss with [] 25X1
machine translation. [] explained he had made an appointment for
next Tuesday at ten o'clock for Dillon to visit him since the subject was
basically unclassified. [] wished to confirm this with me and advise
that Dillon was instructed to call here. 25X1

Dillon subsequently called and the arrangements were confirmed.
